

## STATEMENT CONCERNING MATERIAL SAFETY

**NAME OF PRODUCT:** Odyssey™ Control Solution and  
Glucosure™ STAR Control Solution

**DISCLAIMER:** This product is not considered to be or to contain hazardous chemicals based on evaluations made by our company under the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

**DEFINITION:** As defined by OSHA Standard 1910.1200 (the OSHA Hazard Communication Standard), a hazardous chemical is one that is a physical hazard or a health hazard.

**HEALTH HAZARD:** Health hazard means a chemical for which there is statistically significant evidence based on at least one study conducted in accordance with established scientific principles that acute or chronic health effects may occur in exposed employees. The term "health hazard" includes chemicals which are carcinogens, toxic, or highly toxic agents, reproductive toxins, irritants, corrosives, sensitizers, hepatotoxins, nephrotoxins, neurotoxins, agents which act on the hematopoietic system, and agents which damage the lungs, skin, eyes, or mucous membranes.

**ARTICLE:** An "article" means a manufactured item: (1) which is formed to a specific shape or design during manufacture (2) which has end use function(s) dependent in whole or in part upon its shape or design during end use; and (3) which does not release, or otherwise result in exposure to, a hazardous chemical under normal conditions of use. Any product, which meets the definition of an "article," would be exempt from the requirements of the Standard.

**NOTE: MSDS is only required for materials that are hazardous. Manufacturer and/or Distributor are under no obligation to produce MSDS for non-hazardous materials. OSHA discourages the production of a MSDS for non-hazardous materials.**

Odyssey™ Control Solution and Glucosure™ STAR Control Solution are manufactured for Hummingbird Medical, Inc. and are distributed by Life Systems, Inc., 7320 Central Avenue Savannah Georgia 31410 (912) 355-9494 ext 107 or by fax at (912) 354-5190

Information for this material safety data sheet was obtained from sources considered technically accurate and reliable. While every point has been made to ensure full solitaire of product hazards, in some cases data is not available and is so stated. Since conditions of actual product use are beyond control of the supplier, it is assumed that user of this material has been fully trained according to the mandatory requirements. The buyer assumes all risk of use, storage and handling to comply with local, provincial/state and federal regulations. No warranty, expressed or implied, is made and supplier will not be liable for any losses, injuries or consequential damages, which may result from the use of or reliance on any information contained in this form. If user requires independent information on this or any other material, we recommend contacting the **State of Georgia OSHA Atlanta East Area Office** LaVista Perimeter Office Park 2183 N. Lake Parkway, Building 7 Suite 110 Tucker, Georgia 30084-4154 (770) 493-6644 (770) 493-7725 FAX
